- Introduction of New Members & Guests
- Presentations by:
- Previous meeting minutes were emailed by the LEPC Admin. Is there a motion to accept as presented?

## Committee Reports

- Executive –Recommendations from the Executive Bd.
- Finance – See attached LEPC finance report. 2021 LEPC grant application was due 2/1/21. Ours has been completed and submitted.
- Membership/Public Relations – Renewal applications will be emailed to committee members in the upcoming week. Final committee membership will need to be approved by the County Commissioners and submitted to SERC prior to their August meeting.
- Planning –Emergency Response Plan update. The ERP update was completed and submitted 10/20 and was approved by the SERC at their 12/20 meeting.
- Exercise / Training –A tabletop exercise was completed 10/2/2020. FY2021 will also be a TTX exercise, currently scheduled for 6/22/21. Will decide as date approaches whether in person or virtual. OEMA is sponsoring many virtual trainings including ICS 300 and 400. I have inquired about a virtual Hazmat Awareness training for 2021. The fire academy indicates class can be virtual but students would need to travel to their office to test. That would be a problem for many of our volunteers. I am exploring other options for in person, local training.

Railroad training- Re-evaluate in July 2021. Several online trainings available on the TRANSCAER website.

Chlorine Training-Shared EPA sponsored Chlorine Training with water treatment plant operators 2 sessions 4/29 & 7/27 webinars

- Enforcement & Compliance – Compliance report was due to SERC 10/1/2020. It was completed and submitted on time.
- Information Coordinators report – Brian Rutledge– Tier 2 reports -class  
Hazard Analysis - Facility inspections
- Emergency Coordinator report – spill reports
